

You've got a Friend

By Carole King

When you're down and troubled
and you need a helping hand
and nothing, oh nothing is going right,
close your eyes and think of me
and soon I will be there
to brighten up even your darkest night.

You just call out my name
and you know wherever I am
I'll come running, oh yeah baby, to see you again.
Winter, spring, summer or fall,
all you got to do is call
and I'll be there yeah yeah yeah
you've got a friend.

If the sky above you
should turn dark and full of clouds
and that old north wind should begin to blow,
keep your head together
and call my name out loud now
soon I'll be knocking upon your door.
You just call out my name
and you know wherever I am
I'll come running, oh yes I will, to see you again.

Winter, spring, summer or fall,
all you got to do is call
and I'll be there yeah yeah yeah.

Ain't it good to know
that you've got a friend
people can be so cold
they'll hurt you and desert you
well they'll take your soul if you let them
oh yeah don't you let them.

You just call out my name
and you know wherever I am
I'll come running to see you again
Oh baby don't you know now.
Winter, spring, summer or fall,
hey, now, all you gotta do is call
cos I'll be there yeah yeah yeah

you've got a friend, you've got a friend yeah,
ain't it good to know you've got a friend
ain't it good to know you've got a friend
Oh yeah yeah, you've got a friend.
